Dau Tieng
1968

Sgt Peter R. Langlois, with a journalism degree from the University of Wisconsin-Madison was drafted into the U.S. Army, serving in Vietnam with the 25th Infantry Division. He was awarded the Bronze Star and Purple Heart medals. He was lucky enough to return home for a career in news reporting,

public relations, and to raise a family. While in Vietnam Peter served in the 2/22nd ("Triple Deuce") Infantry, Alpha Company, from July 18, 1968 - July 16, 1969, near Tay Ninh, the Boi Loi Woods, and spent the 2nd half of his year in Dau Tieng as Company Clerk for his unit. He passed away from a rare Agent Orange cancer at age 59, December 18, 2004 after struggling with cancer treatment for 15 years.

I am Peter's only sibling , Annette Langlois Grunseth (younger sister); to honor my brother and the wishes of our parents I have published a book of the letters Peter Richard Langlois wrote home from his Basic/Advanced Infantry Training and his year in Vietnam. The letters are exceptionally well-written and detail each of the battles his was in. His letters are available in the book "Combat and Campus: Writing Through War" (Elm Grove Press, Old Mystic, CT, 2021) Learn more about the book, and/or purchase from my website www.annettegrunseth.com

Takes Quickest Way Home Staff Photo

When a soldier heads homeward from the war he doesn't waste a minute getting there. Mr. and Mrs. A. C. Langlois, 948 Kent St., and daughter, Annette, were standing in front of Wausau Municipal Airport terminal Tuesday afternoon waiting for their son and brother, Sgt. Peter Langlois, to arrive on an Air Wisconsin plane. Peter walked out of the terminal to greet them. He had met his next-door neighbor, Robert Hertz, at a Chicago airport and accepted a lift home by car. He beat the airplane by two minutes. Peter, who served a year in the thick of it in Vietnam with the 25th Division and wrote a series for the Herald, left Saigon Sunday morning and had stops at Okinawa and Hawaii. Among his decorations is the Purple Heart for a wound he received as the result of enemy action.
