c B Co Command Group on river , Apr  
'68.jpg | In April '68, after I took  
command of the company, the BN  
Command spotted some VC on the  
river, and directed us to the location. My  
command group got into a sampan to  
search the river bank from the river. We  
found some VC and rice. (480x316)
